DETAILED ACTION

This office action is in response to the Response filed January 20, 2004.

Accordingly, Applicant has filed a Terminal Disclaimer with this response to overcome the double patenting rejection based on USPN 6,577,295 B2 of Kikkawa.

Currently, claims 9-23 are pending in this application.

Priority

This application appears to be a division of Application No. 09/207207, filed December 08, 1998. A later application for a distinct or independent invention, carved out of a pending application and disclosing and claiming only subject matter disclosed in an earlier or parent application is known as a divisional application or "division." The divisional application should set forth only that portion of the earlier disclosure which is germane to the invention as claimed in the divisional application.

Terminal Disclaimer

The terminal disclaimer filed on January 20, 2004 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of USPN 6,577,295 B2 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

Claims 9-23 are allowed.

The following is an examiner's statement of reasons for allowance:

Re claim 9, the most relevant reference, USPN 6,577,295 B2 of Kikkawa which was used for the double patenting rejection, discloses a same method of fabricating a

liquid crystal display comprising forming a common electrode on a first substrate and a black matrix on a second substrate, wherein said common electrode electrically shields the pixel area from a voltage of said black matrix and wherein said black matrix overlaps first portions of the signal lines and said common electrode overlaps portions other than said first portions of said signal lines. However, this rejection is overcome by a Terminal Disclaimer indicated above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
